your bedroom...

Everything from intense pools of glossy colour through to the most delicate shades that brighten and inspire even the darkest of days. Warm comforting, earthy tones and textures, the special grains of natural woodland colours breathe life in your home.

Our designers recognise this, because we listen to what our customers want. Choice, inspiration, colour a variety of designs. We deliver bedrooms that complement and create space; using colour and textures to allow you to have the bedroom you've always wanted.

Soon, trembling in her soft and chilly nest,
In sort of wakeful swoon, perplex'd she lay,
Until the poppi'd warmth of sleep oppress'd
Her soothed limbs, and soul fatigued away;
Flown, like a thought, until the morrow-day;
Blissfully haven'd both from joy and pain.

From The Eve of St Agnes, John Keats.
